

I'm Ramiz.

a Programmer.

Hello.

I am a Learner and an
Explorer. I'm a CSE
Undergrad and a Full-Stack
Developer in making.
I ❤️ Coffee.

My Skills.

Design & Developemnt

I started learning to code
when i was 14 years old
because I wanted to make my own video

games. Overtime, I gained a wealth of experience designing and developing mobile and web applications.

Football Is Life

But my best skill is in playing football. I am an undisputed Centre-Back(Defender). Sanku Cup and Soham Cup are some of my great experiences.

Get In Touch

If You love Real Madrid.

Love Football as much as I do? Let's talk about how awesome football and coding are! We can code and then watch football while eating.
